Regents Exam Review Courses For High School Students

Richard Feldman, Ph.D., Program Coordinator

Our course instructors are highly qualified, certified, experienced high school teachers. Topics are thoroughly reviewed and the latest Regents exams are used for practice. Small classes allow teachers to provide individual attention to every student. Classes are completed in time for the June 2010 Regents exams. Review texts included in all courses. (*Note: 8th graders may enroll in AP1410, AP1440, and AP1450.*)

AP1410 Integrated Algebra Regents Review:

8 sessions/ May 10 – June 7 / 6:30 – 7:55 P.M.

DISCOUNT: Save \$25 when you enroll in any two review courses or \$50 when you enroll in any three review courses.

Dear Parent and Student:

You know how important Regents exams are now that they are required for high school graduation in New York State. Regents exams are also counted toward final course grades.

Students in our courses get in-depth preparation and learn proven test-taking strategies. We provide the skills and guidance to help students achieve their potential on the day of the exam!

Why hire a private tutor when you can benefit from our effective program at just a fraction of the cost? I urge you to enroll today because classes fill quickly.

Cordially,

Louis J. Cino, Director

*Division of Continuing Education
and Professional Development*
